Hand Us That \$.

Lime and Portland Cement at H. R. Northcott's.

House for rent, for rest of this year. Desirable location. Phone 43.

Some men belong to every society in the neighborhood but the society of their home.

Ladies of the Baptist church will serve a Strawberry supper on the School campus, Saturday, April 20th.

The Danville Messenger is just six years old but has grown steadily each year and is now one of the best papers in the state.

The Bryantville district Sunday School convention will convene at Pleasant Grove church next Sunday afternoon at 2:30. The public is cordially invited.

LOST: On the streets of Lancaster, May 6th, a ladies gold brooch, with small diamond in center. Leave at this office or McRoberts drug store and get reward.

Let us waken up to the necessity of getting every man, woman and child into a Sunday School and then make them feel the appeal of that service so keenly that they will continue to go.

Preparedness is the slogan of the day everywhere! It is being urged and talked along every line from our United States navy and army to the advertising columns of the magazine.

Why not use it in our "Go-To-Sunday-School" campaign?

When women come into their own.

When women cast their votes, Methinks St. Peter will come down To earth to take some notes;

The "pearly gates" will swing aside, He leaves his golden seat, Take off his crown, and humbly say, "You sure have got us beat."

The Record suggests that a committee be appointed whose duty it shall be to formulate plans for a home-coming invitations to be sent to all known wanderers from the best county in Kentucky, and that a hospitable people welcome them on their return, and also, incidentally mention that the hen roost will be robbed and the fatted calf killed for the occasion.

This government will not longer dally with Mexico. Patience has long since ceased to be a virtue. Instead of the U. S. fixing a time limit to withdraw from Mexico, that recalcitrant set of outlaws should be given a time limit of establishing a staple, responsible government under penalty of the U. S. establishing a respectable government for them. The army of this country, now being directed to the border, will convince the Graceros that we mean business, which will likely end the trouble.

ARMY MULES WANTED.

I will buy mules 14 to 16 hands high and 5 to 10 years old.

W. B. Burton.

NOTICE.

All those indebted to the Lancaster High School for taxes and tuition for the year 1915, will save cost and trouble by calling and paying same as my books must be closed at once. Please attend to this. E. W. Harris, Treas.

BOONE HIGHWAY.

In 1916 the Boone Way will be routed to Lexington, Davidson county, N. C., Boone's old home, and within the next eighteen months will be routed to Warrenton, Missouri, Boone's last home. Distance between the two homes, 1,000 miles.

REDUCED RATES.

The L. and N. will sell reduced rates to the Churchill Downs races on May 13th and June 3rd for \$3.70 for the round trip. Tickets good for returning within three days from date of sale. On account of the Grand Commandery meeting at Frankfort a rate of \$3.45 for the round trip, will be on sale May 15th, 16th and 17th. Next Sunday May 14th excursion rates to Cincinnati and return for \$1.75.

SCHOOL ELECTION.

The election of a trustee for the Lancaster Graded school created much interest last Saturday and resulted in the election of former trustee, Dr. J. A. Amon and the defeat of Mr. J. W. Elliott, who stood for re-election, by Dr. W. M. Elliott by a majority of 163 votes. About three hundred votes were cast and quite a number of ladies exercised their right of suffrage by voting for their favorite candidate.

HELEN KELLER FAINTS.

Atlanta, Ga.,—Helen Keller, the world's most famous blind and deaf woman, "listened" to Enrico Caruso, the world's most famous tenor, in the parlor of a hotel here. She placed her fingers on his lips and throat and "heard" him sing the heart-breaking lament of Samson, the shorn and blinded giant, as he grinds the corn for the Philistines, who have made him prisoner. The tenor was so overcome that he cried like a child while Miss Keller fainted with emotion. A number of opera stars who saw and heard the incident were deeply affected.

MURPHY WILL PROBATED.

In the Lincoln County court last Monday the last will and testament of the late W. H. Murphy was admitted to probate. The will was dated in 1912 and devised that his widow receive one half of his personal property, and one third of his real estate, the remainder to be equally divided among his five children. His estate is estimated to be worth about \$10,000.

WALTON-CARTER

Miss Lucy Lee Walton, the beautiful daughter of Mr. Ed C. Walton, of Stanford, was married Tuesday night to Mr. Carl Carter, formerly of the Lincoln county capital, the nuptial ceremony occurring at the home of the brides uncle, Mr. Thomas Walton, in Atlanta, Georgia. The marriage vows being solemnized by the Reverend Foster, a Christian minister. The couple left at once for Asheville, N. C., where the groom has a good business position. The marriage comes as quite a surprise to the relatives and friends of the contracting pair as Miss Walton left home about a week ago for the Georgia Metropolis giving no intimation of her approaching marriage.

HIGHLY HONORED

Miss Alice Rigney, who was a delegate to the Kentucky Christian Endeavor Union from the Presbyterian church of this city, was highly honored and complimented by that body while in session at Lexington last week. As is usual many are asked to take notes of the convention while in session and at the conclusion of the meeting these notes are submitted to a committee as to their accuracy and neatness, and to the gratification of her host of friends here, Miss Rigney was one among a few that was awarded a certificate and her name placed on the "Honor Roll" for her neat and well kept notes. Miss Alice is the charming daughter of Mr. and Mrs. W. O. Rigney and is popular among the younger set, being a member of the Junior class of our high school.

AWFUL ACCIDENT.

Howard Jones, son of Mr. Jeff Jones, was instantly killed this afternoon near the Fort in the outskirts of Danville on the Stanford pike when he was run over by the large truck of Taylor and Son.

Particulars regarding the accident could not be learned as the Advocate went to press. One report was that Mr. Jones attempted to board the truck while it was in motion and lost his balance and fell beneath the wheels. The truck is being used in hauling crushed stone from the quarry to Danville.

Mr. Jones was a splendid young man and was about twenty-four years of age. The horrible accident came as a great shock to the many friends of the Jones family in this city. The machine was being driven by K. Smothers, colored.—Danville Advocate.

This accident is deeply deplored in Lancaster where this admirable young man had many relatives, being a first cousin of Mrs. J. R. Mount and R. E. McRoberts.

MOTHERS DAY.

The second Sunday in May is Mother's Day. This year it falls on May 14. The beautiful thought of setting aside one day in the year to be devoted to one's mother was first suggested by Miss Anna Jarvis, of Philadelphia, who founded the Mother's Day International Association to provide the necessary organized support for the fostering of the movement. Thanks largely to her efforts Mother's Day has become a recognized institution as the day on which each of us should pause to acknowledge our debt of affection and gratitude to the "best mother who ever lived" on which we should be with her if we can and if we unfortunately cannot, should make a point of sending her a message of affection and cheer.

In co-operation with the effort to foster the observance of Mother's Day, the Western Union Telegraph Company has provided special telegraph blanks, appropriately decorated with an artistic design of carnation and bearing the legend "Mother's Day", on which all messages of those who wish to send a word of greeting or love to their mothers on this occasion will be delivered. If we cannot be with her on May 14, let us remind her in this way that she is still with us in heart and love. The emblem of the day is the white carnation, and it is the hope of the Mother's Day Association that it will be worn by every one as a tribute of respect, not only for his own mother, but also for all the gentle and noble motherhood of the land.

ACCEPTS GER-MANY'S PROMISES

The American Government has accepted Germany's promise to bring her submarine warfare under the limitations of the recognized rules of international law as insisted upon by the United States, and Washington now relies upon a "scrupulous execution of the altered policy." Germany is told in the note just forwarded to Berlin that the United States Government cannot entertain a suggestion that respect for the rights of American citizens on the high seas should in any way be made contingent upon the conduct of any other Government affecting the rights of neutrals and noncombatants.

MID--SUMMER

PRESS MEETING.

The executive committee of the Kentucky Press Association will meet at the Seelbach Hotel in Louisville, Saturday at one o'clock to select dates for holding the mid-summer meeting, which will be held this year at Ashland. The committee is composed of Robert J. McFrye, Woodson May, B. F. Forgey, F. M. Thomason and R. L. Elkin.

SUNDAY SCHOOL

ATTENDANCE.

The attendance at the various Sunday Schools of the city and county as far as we have been able to ascertain was the largest ever recorded. In the city the Christian church reported 303; Presbyterian 92; Methodist 60; Baptist 109; New Antioch 48; Buckeye Baptist 216; Buckeye Methodist 208; Old Antioch 93; Fairview 103; Hyattsville 169; Manse 88; Herring 83.

BETTER SCHOOL

ATTENDANCE.

The compulsory school attendance law, it is believed, has been made effective by the remedification of the school laws and approved by Governor A. O. Stanley. Under the provisions of the old law was all that could be placed as a penalty against a person who failed to comply with its provisions but the present law makes the offense a misdemeanor and the parent or guardian may be sent to jail to serve out the fine for non-payment. It is thought that the school attendance will be immediately improved as the direct result of the law.

TELEPHONE COMPANY

MAKING MONEY.

The following clipped from the Elizabeth Mirror is of much interest here and no doubt many would like to have a little of this stock. It says:

"The Hardin County Kentucky Telephone Company is in a flourishing condition. The directors at a meeting Friday night declared an annual dividend of 50 per cent., the greatest in all its history. The company is a paying business enterprise to Elizabethtown, as it expends about \$5,000 annually in this city. The company heretofore has been reinvesting its earnings in repairs and extensions, and it is now in a first-class condition for business. The dividend this year will be paid out to stockholders, either in June or July."

MALITIA TO GUARD

MEXICAN BORDER

National guardsmen of three States, Arizona, New Mexico and Texas, were called out by President Wilson Tuesday to aid in protecting the border against Mexican raiders.

In addition practically all remaining mobile troops of the regular army were ordered to join the border forces. By these orders approximately 8,000 additional troops were placed under Major Gen. Funston's command. Behind the orders is the plain intimation by administration officials that the whole strength of the National Guard will be similarly employed if necessary.

The orders were issued after a brief conference between President Wilson and Secretary Baker over a joint report from Gens. Scott and Funston, at El Paso. The two officers stated that the Glenn Springs raid made it plain that the border guard must be materially increased.

KENTUCKY DERBY

To Be Run Next Saturday.

On next Saturday, the 42nd renewal of the Kentucky Derby will be run off at the beautiful course of the New Louisville Jockey Club, Louisville, which is world-wide known as Churchill Downs.

The Kentucky Derby which has been run off over this track without break of a single season since 1875, in this year as in the last two seasons called a \$15,000 stake, as in addition to the entries fees and subscriptions, the New Louisville Jockey Club adds \$10,000 to the race.

The event has 56 nominations this season, and the eligibles embrace stars of the English and French, as well as the American turf, it having this season at least assumed the proportion of an international race.

SCHOOL OF REFORM

Draws Three Of Our Youthful Negroes.

In Judge C. A. Arnold's court last Tuesday, the four negro boys charged with forging the name of William Simpson to two checks, were found guilty and three, James Nevius, Robert Kennedy and Henry Warren were given sentences in the School of Reform. The case against George Jennings was dismissed. Robert Kennedy, who claims to be only thirteen years old and who appears from the evidence to have been the "bell wether" of the worthless flock, under his sentence is to remain until he is twenty-one. This is James Nevius second trip to this important school and Judge Arnold thought a post-graduate course of two years would about fit his case. Henry Warren who seems an adept at writing checks was also given two years.

Ford
THE UNIVERSAL CAR

There is only one reason why Ford Cars are demanded by over half the car buyers in this country. They are better cars. The Ford has demonstrated its superiority by all the tests of time, in every kind of use. The demand is greater because the value is great. Better buy yours NOW!

- TO THE -

CITIZENS OF GARRARD COUNTY.

On July the first 1916, I close my mill doors for the time being. All parties that have flour in my mill on deposit are requested to take same out on or before that date.

I want to thank the people of Garrard County for their patronage they have given me in twelve years that I have been in the milling business. It has certainly been appreciated.

I leave the state after July the first with a warm spot in my heart for the people of Garrard County.

Respectfully,

ALEX WALKER.

The Womans Club
(Edited by The Womans Club)

Is your conscience clear about your cellar or back yard? If so it means that both spots, and others also, are clean and tidy. But sometimes it seems as if some folks in the matter of the looks of their premises, have no conscience at all; certainly they have no taste for beauty and cleanliness and but little regard for health.

The song birds are returning to their old haunts, those left to return, and care should be taken to protect them from the many evils which lurk in their way. The boy with the airgun, rifle or shotgun, the boy who is seeking to find the nest and rob it of its eggs, and other destroying agencies, should be jealously deprived of the pleasure they get from doing injury to the songsters of the field and grove. The birds are of great value to every man, in that they make way with the insects, weed seed and other things which live on or interfere with the things which are necessary to men. It is a part of justice, common sense and self interest to see that the birds have protection.

The "fly-swatting" campaign in Winchester is on in earnest. The Women's Club has offered a prize of \$2.50 to the school boy or girl who will kill the most flies from now until June 10. Mr. W. R. Duty, the local druggist, has donated 250 fly swatters which have been distributed and more will be made at the manual training department of the schools.

The Boy Scouts will receive the flies at 16 E. Washington street every Saturday afternoon, will count them and place them on public exhibition, in order that the public of Winchester may know how many flies there are in Winchester, carrying disease.

The Woman's Club of Richmond in order to encourage growth of flowers with the beautifying of the city, has decided to adopt the following plans: First, a prize is to be given by the Club for the prettiest yard in town. Second, a prize for the prettiest window boxes in town. Both are to be judged by a committee from the members of the club. The prizes are to be awarded at the first meeting of the Club in the autumn.

In order to create an interest in the improved keeping of lawns and yards, the Club has appointed two secretaries for each street, whose duty it will be to create a sentiment for the better kept lawns and porches by talking the matter over with their neighbors and friends and arousing a civic pride for improvement. Anyone will who adapt a vacant lot, remove limbs of trees and other debris and keep the weeds cut will be considered a public benefactor. Anyone who owns a vacant lot and will have fallen trees and limbs removed will increase the value of their property and also receive the gratitude of all who love their city and value the impression made on strangers and visitors.

Is the Woman's Club, of Lancaster indifferent to these things, or are they working in a quiet way?

Doctors Agree On Eczema Remedy

Confirm the Statements About D. D. D. Prescription

Geo. T. Richardson, M. D.: "In my opinion, D. D. D. should be applied in all cases of skin disease—an immediate relief to the itch, a calm to excited nerves, soft, soothing, yet a powerful agent, a strength to the general system."
Dr. Una Holmes: "D. D. D. is as near a specific for eczema and the dreaded psoriasis as is quinine for malaria. I constantly prescribe D. D. D. also for salt rheum, itchy, barber's itch, pimples, all forms of itching eruptions, scales, sores."
Dr. Ira T. Gahbert: "I freely admit that D. D. D. reaches most cases of eczema and permanently cures them."
Dr. Gahbert of Caldwell, Kansas, is one of the best skin specialists in the state. Write and ask him about D. D. D.
Druggists are glad to recommend this soothing, cooling liquid. 25c, 50c and \$1.00. Come to us and we will tell you more about this remarkable remedy. Your money back unless the first bottle relieves you. D. D. D. Soap keeps your skin healthy. Ask about it.
R. E. McRoberts, Lancaster, Ky.

WHISKEY? NO. NOT FOR RHEUMATICS

Don't drink whiskey if you have rheumatism, and be sure and keep your feet warm and dry, and drink plenty of lemonade.

This advice, says an authority, is helpful; but as all know who have suffered, rheumatism is a stubborn disease and yields only to a remedy mighty enough to conquer it.

Many doctors have prescribed and hundreds of helpful druggists have advised a half teaspoonful of Rheuma once a day, because they know that powerful Rheuma, harmless as it is, acts with speed and overcomes in a few days the most torturing case of rheumatism or sciatica.

Try Rheuma; R. E. McRoberts and all druggists sell lots of it and will return your money if two 50-cent bottles do not stop all rheumatic misery.

BUCKEYE

Born to the wife of Tom McQueen a boy May 6th.

Mr. Otto Simpson has purchased a new Ford Car.

Born to the wife of Robert Whittaker a girl May 7th.

Mrs. J. S. Gilbert has been the guest of her sister, Mrs. Edd Simpson.

Mr. J. C. Davis preached at the Methodist church last Sunday evening.

Mrs. Jim Stapp, of Lexington was the guest last week of Mrs. Mal Carter.

Mr. Oscar Hendren, of Madison county has been the guest of Mr. Mal Carter.

Mrs. Mal Carter has returned home after a visit to her sister, Mrs. Mead Teater.

Mr. and Mrs. A. C. Miles and Mrs. Hiram Ray visited friends in Crab Orchard this week.

Mrs. Howard King and children, of Bryansville have been visiting Dr. and Mrs. G. M. Hendren.

Mrs. J. P. Long has returned to Lancaster after spending a few days with Mr. and Mrs. Robert Long.

Miss Jennie and Katie Mae Dickerson of Richmond were the guests last week of their sister Mrs. Peerce Ray.

Rev. Dillard Sebastian will fill his regular appointment at the Baptist church next Sunday morning and evening.

Mr. and Mrs. Roy Sanders and children, Mr. and Mrs. Huston Gulley, daughter, and son, were the guests, Sunday, of Mrs. Arch Whittaker at Kirksville.

Rev. Regan and wife of Nicholasville and Mrs. Ollie Regan and baby, of Lexington were the guests of Mr. and Mrs. John Brown Sunday.

There were 216 in attendance at the Baptist Sunday school Sunday afternoon and 208 at the Methodist in the morning. We hope we will have as many, or more, next Sunday. Mrs. Ollie Regan of Lexington, gave a very interesting talk upon her Missionary work which was enjoyed by all present. Rev. Regan, Messrs A. C. Miles and Hall gave talks upon Sunday school work.

WHY DANDRUFF CAUSES BALDNESS.

Get rid of dandruff if you have it and the sooner the better. Dandruff causes baldness by choking the pores of the scalp so that the hair roots do not obtain proper nourishment.

There is just one delightful hair tonic so compounded that besides ending itching scalp almost overnight, and stopping hair from falling, will remove every particle of dandruff after just a few applications.

Ask your druggist for a bottle of Parisian Sage, a hair beautifier, tonic and scalp vigorator that every druggist knows always produces results. Thousands of women use it because they know that nothing else makes the hair so radiantly beautiful and fascinating. R. E. McRoberts always guarantees Parisian Sage. 25-54th.

GUNN'S CHAPEL.

Miss Christine Davis has been ill. Mrs. Iva Teater is with Mrs. Josiah McCulley for the week.

Miss Wilma Ray was a recent guest of Miss Thelma Simpson.

Miss Marie Ballard spent the week end with Miss Jessie B. Ray on the Wolf Trail.

Mr. C. J. Davis delivered an excellent sermon at the M. E. church here Sunday evening.

Mr. and Mrs. Harvey Teater and Mr. and Mrs. Hugh Moberly were in Lancaster, Wednesday.

Messrs Coy Price and C. J. Davis were guests at the home of Mr. and Mrs. John Land Sunday.

Mr. and Mrs. James Land, Mr. and Mrs. John Land and Miss Pauline Ross were in Lancaster, Friday.

Miss Macy Walton who has been visiting her sister Mrs. Ed Daily, will return to her home near Marksburg this week.

Mr. and Mrs. Ed Dailey, Messrs John Land, and George Calico, and Misses Zula Calico and Lenna Hollon were in Lancaster Saturday.

Rev. Regan filled his appointment at the M. E. church Saturday evening. There was no preaching service Sunday morning because of the special Sunday School services.

Miss Pauline Ross of Mays Lick, Mason county, who has been assisting Miss Ballard at Gunn's Chapel school, has gone home because of the illness of her mother. The patrons regret very much to lose Miss Ross.

The Sunday School exercises held here Sunday were very interesting and well attended. 208 were counted in classes at Chapel and 216 at Liberty. A large number came at both places after the reports were taken. A number of excellent short speeches were delivered and the services were enjoyed very much. Why cant we have a "Go To Sunday School Day" every Sunday in the year?

A THREE YEARS RECORD.
A Test That Must Impress Record Readers.

Three years is a long time. A rigid test of merit. Mr. Wright testifies, over three years ago. Later he says the results were permanent. Can Lancaster ask for better evidence?

George Wright, Hotel Kengarian, Lancaster, says: "I suffered from an aching back. The kidney secretions also bothered me, being irregular, scanty and painful in passage. Doan's Kidney Pills, procured at R. E. McRoberts Drug Store, removed the pains and restored my kidney to a normal action."

LASTING BENEFIT.
Over three years later, Mr. Wright said: "I have had no kidney trouble since giving my former recommendation of Doan's Kidney Pills."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wright has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y.

COY

Mr. Irvine Clouse remains quite ill. Mr. Mike Ray died at his home near Loyd, Sunday night, after a long illness.

Quite a large crowd from Danville pike attended preaching at Scotts Fork Sunday.

Mrs. Nan Moberly was the guest of her daughter Mrs. Johnson Speaks, last Sunday.

Mr. and Mrs. Joe Aldridge and children were entertained at dinner Sunday, by Mrs. Mary Sanders.

Mr. and Mrs. Bill Barker, Mr. and Mrs. Tom Barker and Rev. Cloyd, were highly entertained Sunday, by Mr. and Mrs. B. J. Sipple.

Messrs Everett Dean and Charlie Teater of Nicholasville and Miss Nell Ray of Loyd were visitors of Miss Peachie Mae Sander, Sunday.

Mr. and Mrs. George Thompson of Bourne attended preaching at Scotts Fork Sunday and were the pleasant guest of Mrs. Mary Sanders.

PREACHERSVILLE

Mr. Owen Duvall is slowly improving. Born, to the wife of Burch Hester, a fine son.

Miss Nora Smith visited Miss Lena Arnold, recently.

Mr. Woodson Carpenter who has been quite ill, is better.

Services at the M. E. church Saturday night and Sunday.

Rev. R. F. Jordan, of Pineville, visited his son, Mr. W. E. Jordan.

The W. M. U. of the Baptist church will meet there Friday at 2 p. m.

Mr. James Roberts, of Pulaski, was a visitor at Mr. J. M. Cress' Sunday.

Mr. and Mrs. Richard Williams, of Judson, visited her mother, Mrs. W. H. Cummins.

Misses Frances and Elizabeth Archer of Jellico, are visiting their grandma, Mrs. E. Foley.

Miss Bettie Miller, who is attending school at Richmond, was visiting her parents, Mr. and Mrs. James Miller at the Horton place.

Mrs. B. T. Lunsford, who is in the Norton Infirmary, Louisville, for treatment, and who has been dangerously ill, is reported as being some better.

Miss Allie May Cummins was at home from Lexington where she has been attending school. She was accompanied home by her friend, Miss Elizabeth McCloud.

CARTERSVILLE.

Miss Lillian Calico has been the guest of Miss Estella Davis.

Mr. Andy Conn sold a nice cow to Manuel Damerell for \$35.

Mrs. Susie Renfro who has been very ill is better at this writing.

Miss Mary Botkin was the recent guest of Miss Susie Davis.

Little Lucile Davis is the guest of her aunt, Mrs. Sam Davis.

Mr. and Mrs. A. R. Carter visited relatives in Berea last Sunday.

Mrs. R. C. Boan was the guest of her daughter, Mrs. Sam Davis Sunday.

Mr. Thomas Ballard left Sunday for Ohio where he expects to work a while.

Miss Effie Dawson who has been visiting Miss Maggie Carter has returned home.

Mr. C. S. Roop and family was the guest of J. D. Carter and family, last Sunday.

Mrs. Paulinda Pennington was the guest of her parents, Mr. and Mrs. C. S. Roop, Sunday.

Mrs. W. F. Champ and Mrs. Henry Moore were the pleasant guest of Mrs. R. C. Boan, last Thursday.

Mr. and Mrs. J. H. Davis and family and Mr. Sam Davis were the guest of their uncle, Mr. and Mrs. S. M. Davis, Sunday.

Mr. and Mrs. Calep Todd, Mr. and Mrs. Bluffard Jennings and Mrs. Lena Turner and children were the guests of Mr. and Mrs. J. F. Allen, Sunday.

SALE FOR CITY TAXES.

O. BUCK, M. C. L.
By E. T. Buck, Deputy M. C. L.

SOME TENNESSEE FOLKS TELL HOW THEY WON

Sick people want to be well in a hurry.

A great many, perhaps most all, illnesses have their beginning in derangements of the stomach and digestive tract.

May's Wonderful Remedy starts in at the first dose to put stomach sufferers on the way to health. The first dose proves it.

It is taken with success everywhere. Here are the words of two Tennessee people who have taken it:

MISS CORA FISHER, 805 Saxon avenue, Memphis—"Have taken your medicine and it worked like a charm—has removed quite a number of gall stones. It does just as you said it would."

MRS. W. J. WARD, Sparta, Tenn.—"I can honestly recommend your remedy to all sufferers from constipation and stomach troubles. Indigestion seems a thing of the past with me."

May's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

For sale by R. E. McRoberts and all other reliable druggists.

LOWELL

Mr. Ed Murphy is very ill.

Mr. Frank Finley is visiting his brother Mr. R. H. Finley.

Miss Lou Kuhlman visited friends in Paint Lick Saturday.

Mr. Loyd King was the guest of Miss Clara Bettis Sunday evening.

Miss Ethel Mae Davis is suffering from a severe attack of tonsillitis.

Mr. Guy Napier left Wednesday for Indianapolis Ind, where he expects to secure a position.

Mr. and Mrs. John Tudor and family of Manse visited her parent, Mr. and Mrs. S. P. Davis, Sunday.

Messrs Bertram and John L. Brown and Miss Peachie Belden were guests of Miss Stella Lytle Saturday eve.

Mrs. J. H. Davis entertained a number of her friends and relatives at her home Sunday. A very pleasant day was spent.

Miss Evelyn Green, who has been sewing for Mrs. T. R. Kuhlman for the past two weeks has returned to her home at Levee Green.

Worn Out?
No doubt you are, if you suffer from any of the numerous ailments to which all women are subject. Headache, back-ache, sideache, nervousness, weak, tired feeling, are some of the symptoms, and you must rid yourself of them in order to feel well. Thousands of women, who have been benefited by this remedy, urge you to

TAKE
Cardui
The Woman's Tonic

Mrs. Sylvania Woods, of Clifton Mills, Ky., says: "Before taking Cardui, I was, at times, so weak I could hardly walk, and the pain in my back and head nearly killed me. After taking three bottles of Cardui, the pains disappeared. Now I feel as well as I ever did. Every suffering woman should try Cardui." Get a bottle today. E-68

Beginning Tuesday, May 9th, and Continuing for Eleven Days we will Offer Our Entire Stock of Tailored Suits, 2 and 3-Piece Silk Suits, Coats, Silk Dresses and Shirt Waists at Very Decided Reductions

Our lines of garments are exceptionally complete as the stock was renewed late in April. All prices are based on last year's prices of materials and since then materials have advanced one-third to one-half. Sale prices will be but little over actual value of materials. No garments sent on approval or laid aside.

Tailored Suits.

\$10.75 We offer choice of about forty of this season's suits, made of strictly all wool materials and latest shapes in blacks, blues, tans, greys, and checks in all sizes and not one worth less than \$15.

\$13.75 More than sixty suits in black, navy, Belgian, tan, etc., Gabardines, Poplins, Vigoreaux, etc., in all sizes and in over twenty-five styles. The first prices of these were \$19.75 to as high as \$25.

\$19.75 At this price we offer you choice of all our best \$25.00 Wool suits, as well as many New York made suits that sold at \$25 and over. You will have more than fifty newest style suits to select from.

\$24.75 At this price we offer you choice of all the finest wool suits we have. These are either Wooltex or finest grade of New York tailoring and regular prices were \$32.50, \$35.00 and \$40.00.

\$1 White Skirts. We offer choice of four new styles in White Wash Skirts at one dollar. The materials are Pique, Gabardine, Honeycomb and Sport Stripes.

Silk Suits.

We will also include in this sale, more than fifty entirely new two-piece and three-piece Silk Suits, made of Taffetas, Soires, Gros de Londres, Failles and Gros Grains, in Blacks, Navy, Belgian, Browns, Greys, Greens and Old Rose. Prices were \$19.75 to \$75.

All Reduced For This Sale.

\$8.95 PARTY DRESSES \$8.95

We offer choice of more than twenty-five new Party and Dance Dresses at \$8.95. The materials are Taffetas, Satins and Crepes, and colors blues, pinks, white, yellows, etc. Regular prices were \$13.75 to \$18.

Silk Dresses.

Never before in the history of the Dry Goods business has there been such a craze for silks.

We anticipated this early and bought an immense line of Silk Dresses—Silk Dresses to suit every occasion from the plain street dress to most elaborate Afternoon Gowns. Prices ranged from \$10.00 to \$65.00. During this sale this superb line of over ONE HUNDRED AND FIFTY SILK DRESSES WILL BE OFFERED AT DECIDED REDUCTIONS.

\$13.75 Silk Dresses We offer you choice of nearly fifty exceptionally attractive Silk Dresses, in all the best colors. The materials are plain and striped Taffetas, Metres, Crepes, etc. Styles are strictly up-to-the-minute.

\$9.75 Silk Dresses Only fifteen Silk Dresses at this price, but the value is unusual, as there is not one but is worth \$15. All are rather plain street dresses but of good silks and well and stylishly made.

Afternoon Gowns. We offer for your choosing a rarely beautiful assortment of handsome Silk Dresses in many styles from the rich plain tailored Silk Dress on up to the elaborate afternoon gown. The materials are Taffetas, Soire, Gore de Londres, Georgettes, Nets, Crepes and Fancy Silks. Prices were \$25, \$29.50, \$35.00, \$40.00, \$49.50 and \$65, all reduced for this sale.

WAISTS

Our Entire Stock of more than Three Hundred Crepe de Chene, Georgette and Lace Waists will be offered in this sale at very special prices. These ranged in price from \$2.00 to \$12.00, but all will be marked down for this sale. ONE SPECIAL LOT AT \$3.95

COATS

OUR ENTIRE STOCK of nearly One Hundred NEW COATS will be greatly marked down for this sale. This includes all WOOLTEX COATS also Silk and Milanese Jersey Coats. COATS.

WIRTHMORE WAISTS are always \$1. and always worth more. NEW STYLES COME IN EVERY WEEK.

THE LUCKY FARMER.

When I was young I had to go and till the cornfield with a hoe. Ah, it was weary work, indeed; I paralyzed the noxious weed, and scraped the dirt around the corn, and yearned to hear the dinner horn. I'd toil all day to beat the band, till blisters came on hoof and hand, and then the husbandman would say, as he dug up my meagre pay, "Was that the best that you could do? You must have leaved, the whole day thru!" And now I see the farmers ride on cultivators tall and wide, that till the corn and slay the weeds, as they are drawn by prancing steeds. A hundred freckled lads with hoes might work all day along the rows, and not achieve as much, I ween, as would one green and red machine. The farmers of these modern days know naught of old time toilsome ways; they do their labors sitting down, and ride in chococho cars to town; they find the hoodie growing rank, and have to stack it in the bank.—Walt Mason.

OUR IDEA OF THE DESTINY OF GERM DISEASES.

After spending five years in states known over the entire Union as the mecca for people afflicted with air passage and lung troubles, and after seeing and hearing of many people who had been afflicted with these troubles for many years in these states—people for whom the western air held no healing balm—we have decided to try to find some chemist who would experiment with germicidal and healing steam substances, or gases.

The only hope for the immediate downfall of the numerous microscopic germs that build colonies in the air passages and lungs lies in germ poisons, antitoxins for injured tissues, by these poisons, and healing substances. The germ killers and healing substances will have to be converted into gases or steam before inhaling.

With no great amount of experimenting very successful results may be found that will throttle the great white plague forever.

The blood germ diseases; such as typhoid and malarial fevers, will as the future approaches, no doubt, be cured by draining small amounts of blood from the body, killing the germs on the outside of the body and then by an apparatus, as yet unknown to science, be retrained into the blood vessel from which it was taken. By draining small amounts at intervals from the body, poisoning the germs and returning the blood much time will be saved in curing blood germ diseases.

Virgie R. Worrell.

GOOD PRICES REALIZED AT EMBRY SALE

The sale of the personality's of the late Sam J. Embry, which took place at his late home near Stanford yesterday brought out a good crowd and the bidding was spirited and as a result, all stock sold well. Dinner was served abundantly to everybody and Col. I. M. Dunn, of Danville was the auctioneer. We quote a few of the sales: Two sows with 15 pigs, \$80. Fat hogs, \$8.50 a hundred; Shetland ponies averaged about \$60 a head; One Jack colt, \$305; One Jennet, 202.50; One four-year-old mare mule, \$175; One two-year-old mule \$130; Three-year-old mule \$161.50; One pair, same age \$350; Two-year-old horse mule, \$91; One yearling horse mule, \$75; One five-year-old trotting mare, \$225; One seven-year-old mare with mule colt, \$225. Farming implements sold at good prices and all grade of hogs and pigs sold well.

DR. PURSLEY BUYS WHITEMOON REMEDIES

Through a deal which has been on foot for several weeks, Dr. J. J. Pursley, better known as "Dakota Jack," proprietor and sole manufacturer of the famous "Indian Remedies," with headquarters in this city, purchased last week of Mrs. Charlie Whitemoon, of Louisville, the entire plant and all the remedies of this wonderful medicine. Dr. Pursley will consolidate the business in Louisville and all shipments will be made from that city. The plant of the Whitemoon Medicine Company is now located some distance from the business section of Louisville, but it is the intention of Dr. Pursley to have the main office moved up town to be in closer touch with the retail trade which has grown to enormous proportions in the last few years. These remedies have become famous the world over and wonderful results have been accomplished through them.

DEMOCRATIC CONVENTION SATURDAY MAY 20TH

County Conventions will be held in all the counties in Kentucky on May 20th, at 2:30 o'clock, to select delegates to the State Convention at Lexington on May 24th. Garrard county Democrats will hold their convention at the Court House in Lancaster. All democrats are for the re-nomination of President Wilson and the leaders of the state having agreed upon the state

organization, there are no reasons for any friction or contest in these local conventions. We expect our local convention Saturday week to be entirely harmonious. It is the purpose of leading democrats all over the state to avoid, if possible the raising of any question of a local nature that would tend to bring any friction or dissension to the party, so that Kentucky may give President Wilson a safe majority in November. As the State convention will be in Lexington, so convenient to us, a full delegation will attend from this county.

LET THE PUBLIC KNOW

It will be a part of the program of the city school Board after the qualification of the trustees recently elected, as we are informed to annually publish a full financial statement of the receipts and expenditures of moneys of the Graded and high school. No one has any suspicion that the former Board did not properly handle the funds entrusted to it, but the Board was expending the public's money and the public as well as individuals want to know exactly to a cent what is done with the money exacted of them in the way of taxation.

It is mandatory upon Fiscal Courts and Boards of Council of all cities in this state to annually publish a full and complete statement of all financial doings by these bodies even to each claim allowed. For this failure there is a penalty under the law. It is a small expense and little trouble to give to the public this information. These respective bodies should strictly comply with the law and give to the taxpayers and the public at least annually this information. It would be a saving to the public to have it known that the light of publicity was going to be turned on all claims immediately.

The public of this School District will be pleased to know just who gets the public money, how much and what for. The small expense is no excuse to neglect this plain and positive direction of the law.

KILLED BY BANDITS.

Three American soldiers, one a Kentuckian, Hudson Rogers, of Danville, and a 10-year-old boy have lost their lives and two American citizens have been kidnapped and carried south of the international boundary to almost certain death in another raid of Mexican bandits that takes rank with Francisco Villa's famous attack on Columbus, N. M. The marauders were Villa bandits and numbered about seventy.

Hudson Rogers was 17 years old and enlisted in the United States army

nearly two years ago, while he was a pupil in the Danville public school. He was a member of Troop A, Fourteenth Cavalry. He was accepted for service at Columbus Ohio.

A letter from Hudson was received by his family about a week ago, in which he said he was well and that his troop was expecting to fight with Mexican bandits at any time. The news of his death was received by the family tonight in a telegram sent from Alpine Texas, by Col. Frederick W. Sibley, commanding the regiment and asking what disposition should be made of the body. In reply he was requested to send the body to Danville.

Young Rogers is the second member of his family who has been killed in the past week while on duty as a U. S. soldier on the Mexican border. The body of Winfield Mills, an American soldier for more than twenty-seven years, a cousin of Hudson Rogers' mother, is expected to arrive at Danville Wednesday for burial. The body is being brought from Columbus, N. M., following the advice of Ed Mills of Danville, a brother of the veteran soldier. The date of his death was not given.

Needed an Audience.
First Man of large crowd interestedly watching street excavators at work—"That laborer in the yellow shirt seems to thoroughly enjoy his job." Second Man (explaining)—"You see, he has been an actor, but never played to such a large and attentive audience as this."

ABOUT \$4,000,000 WILL BE SPENT THIS YEAR IN STATE AID FOR ROADS.

Public road improvement in Kentucky is beginning to reach a gigantic scale, and it is estimated at the Department of Public Roads that the total expended in Kentucky this year under state supervision will not be less than \$4,000,000. Of the 120 counties in Kentucky 108 have applied for State Aid and twenty-five have their work under way, while the Department of Roads is working under high pressure, considering plans and specifications and contracts in charge of each. This year, too, will see for the first time in a generation, convicts working on the highways. Madison, Harlan and Bath were the first counties to ask for them. It is not likely that the convicts will be used on the roads until after the new prison board is appointed in June.

LIFE OF SAVAGE

TRULY SENSIBLE.

Aliments Almost Unknown By Aborigines Are Common Now.

The theory that most of the ailments of today are caused almost entirely by those habits that distinguish the white man from his long ago ancestor, the savage, is more widely discussed every day.

The savage, in many ways, was a more sensible being than the man who made war on him and then seized his inheritance. It has been said, by medical authorities, that nine out of ten cases of sickness can be traced to a disordered stomach, and that the ailments are due, in a large measure, to excessive eating and drinking and to little healthful outdoor exercise.

Common sense should be used in our mode of living. It was with this end in view that Joseph Von Trimbach, the noted chemist and originator of so many health aids, gathered herbs, roots, barks and flowers from the most remote parts of the world and spent years of his life in experimenting and study before he arrived at the solution or the problem of relieving stomach troubles. He named his discovery Taniae. Taniae has met with instant favor wherever it has been introduced. It has created a romance in the business world. Hundreds of thousands of sufferers have realized the benefit of this great reconstructive tonic.

Taniae is believed to act more favorably because of the nature of its ingredients, on ailments of the stomach, liver and kidneys, and on catarrhal affections of the mucous membranes, which, when neglected, are so often communicated to the vital organs themselves, than any other known preparation. This ideal reconstructive tonic appetizer, invigorant and builder of tissues has been lauded by men and women in all walks of life. It has proved a boon for sufferers from those all too common ailments.

Taniae now is being especially introduced in Lancaster at R. E. McRoberts where the Taniae man explains its merits and the results which may be expected from its use.

IN MEMORIAM.

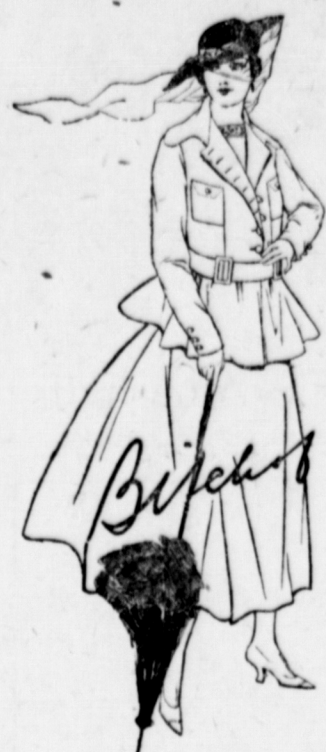

Just as the mid-day sun was shedding its transcendent light over the most beautiful spring morning of April 29, 1916, the spirit of Nelle England Driskel, a most lovely girl, winged its flight into the portals of the celestial city.

Ah, it is sad indeed, to chronicle the death of one so young and so fair. It is a sad termination of the short wedded life that was garlanded by the fairest flowers; it has blighted the fond anticipation of all the possibilities of the future life over which hung every promise of happiness; it seems as if God himself had made her life glorious; he had overreached it with stars; its pathways he had strewn with flowers; around her life he spread the glory of the physical universe, all that is magnificent in motion and sublime in magnitude surrounded her just as beautiful Nelle England budded into lovely womanhood her life was crowned with the greatest boon of woman-life, the love and adoration of a fond and devoted husband. But, alas, he is alone today, bereft of this precious jewel, the very light of his life gone out. Oh, what means the almost tragical death of one who was amiability itself. We can only think of her of all gentleness, beauty and purity.

Alas, she is dead, her dainty hands are folded white and cold beneath the gloomy portals of the grave. The heart whose every beat measured an eternity of love is forever still. To the parents and husband we find no language adequate to express our sympathy in this sad bereavement, as words of condolence will not alleviate your sorrow. We can only say lean on the everlasting arm that is able to support you. We feel the grave cannot keep her, we know she is in a happier world.

Think of her in her home of celestial bliss, all radiant with everlasting youth, never to grow old, no care will ever be hers; she will live forever in the presence of Jesus and with the redeemed of earth, will sing songs of praise until one day, by and by, you will cross the river of death and the beautiful wife, and daughter will meet you at the pearly gate and welcome you home where you can live forever with the happy throng.

Draw our earth-worn spirits upward, Upward to the realms above, Whisper to us words of comfort, Comfort, soothing peace and love. Stay thou with us as we journey, Journey sad as strangers roam, Let thine unseen presence guide us, Guide us 'till we're gathered home, A Loved One.

Mrs. Jack Adams came home Sunday from Atlanta, where she was called by the death of her grand-daughter.

Hon. W. B. Mason of the State Board of Equalization, spent the week end with his family, returning to Frankfort last Monday.

Misses Marjorie and Evaline Ballou, two attractive little Misses of Stanford have been the guests of Mrs. Rella Arnold Francis.

Misses Jeannette Eldridge of Paint Lick, and Miss Elizabeth Bryant, of Bryantsville, were the guests last week of Miss Minnie Johnson.

Mrs. Sallie Ross Lawson of Lancaster, was in Danville Saturday... Mrs. Robt. Harding is spending a few days in Cincinnati with her husband who is rapidly improving in health. - Danville Messenger.

Messrs. Joe Kavanaugh and James Woods are the guests of friends in Lexington for the week end... Mrs. R. L. Elkin and Mrs. Joe Robinson motored to this city yesterday afternoon for several hours. - Danville Advocate.

Mrs. W. C. McElhannon leaves this week for her home in N. C., after a pleasant visit to her mother, Mrs. J. A. Jones.

Messrs. Leander C. Gibson and George Parks of Richmond Normal, were week end visitors of Misses Mae Powell and Iona Dunn.

Misses Lida Raney and Alice Rigney and Messrs. Billy Miller and Burton Stapp attended the C. E. Convention in Lexington last week.

Mrs. H. Clay Sutton will join her sister, Mrs. A. H. Rice in Louisville the last of the week, to accompany her to Richmond Indiana, for a visit.

Misses Iona Dunn, Mae Powell, Mattie McGrath Adams, and Viola Tribble, of the Richmond Normal, were the week end guests of their homefolks here.

Mrs. Forrest Fitzgerald and beautiful little daughter, Dorothy, and Mrs. J. M. Casey of Danville, are here visiting their parents, Mr. and Mrs. R. B. Wilkinson.

Mr. and Mrs. George A. Brown and little Miss Elsie Brown accompanied by Mr. and Mrs. Shearer and son, Brady Long, made a recent motoring trip to Lexington.

Mrs. Lige Ford was hostess last Thursday of a social function in the way of a "Quilting Bee." There were about sixteen young needle women present and the artistic piece of patchwork was combined of two shades of yellow and green.

Dr. Burdett Ramsey and wife who have lately returned from their winter sojourn with their daughter, Mrs. Holloway at Chattanooga, Tenn., to their old home in East Garrard, spent a few days with Mr. and Mrs. J. P. Frank at Danville.

Master Saulley Hughes, Miss Shirley Denny, and little Luev Bates Denny were made happy birthday dinner served the three juveniles on the same date, as the natal anniversary of the elder children occurred on the 2nd of May, and Master Saulley's birthday is May 3rd.

Mr. A. R. Denny and Mrs. Mattie Duncan were in Stanford to visit Mrs. Kelly Francis before she left for the Hazelwood Sanitarium in Louisville, she having been in a state of ill health for some time. Her many relatives and friends, at her mother's girl-hood home here most ardently hope for her speedy recovery.

On Tuesday afternoon May 2nd, the two music clubs composed of the junior and senior members of Miss Webb's music class had a delightful combined program. All the selections rendered were double numbers consisting of duets, trios and quartets. There were a few out-side visitors as well as the faculty present. The social side of the program was well looked after by Miss Webb who served delightful refreshments.

Miss Lyle Cooper was the attractive guest of Miss Lottie Carson Sunday.

Miss Alberta Anderson motored to Lexington last week for a few days' visit with relatives.

Mr. H. G. Cogdell of Macon Ga., has been the guest of Mr. J. A. Robinson. Mr. Cogdell owns a large plantation near Macon and is looking for some registered Hereford cattle, which he thinks the best on earth are to be found in Kentucky.

Mr. and Mrs. DeWitt Kirk and two little sons have gone for a fortnight's visit to his parents at Winchester, Ohio and during the sojourn a family reunion and birthday celebration will be held commemorating young Mr. Kirk's 23rd natal anniversary.

A letter from Mrs. E. L. Owsley to a Lancaster friend states that she left New York for Washington City the first of this week, and after a sojourn in the National Capital, will visit in Charlottesville Va., before returning to Lexington and Nicholasville for a brief stay on her homeward route.

Mr. John M. Duncan goes to Atlantic City on the 15th to attend the Presbyterian General Assembly and will visit Mrs. E. C. Barnard and Mrs. Pattie Gill at Washington D. C. on his return trip. He hopes to bring Mrs. Gill home with him if she has sufficiently recovered from a state of ill health to endure the journey.

Mrs. S. D. Cochran entertained at an elaborate 6 o'clock dinner Tuesday at her attractive home on Danville avenue, the honorees of the occasion being the bridal couple, Mr. and Mrs. Harry Tomlinson, and Miss Bette Robinson of the Lancaster High school faculty.

The Chautauqua Circle held its last assemblage, prior to the vacation period, at the home of Mrs. F. P. Frisbie on Tuesday afternoon. The last book of their literary course proved both instructive and interesting, the title being "The Way of the Planets". The hostess served a delicious course of refreshments, the session being designed for a 'social.'

Mrs. A. H. Rice who has been for several weeks with her sister, Mrs. H. C. Sutton, and mother, Mrs. H. A. B. Marksberry, joined her husband to attend the Derby at Louisville en route to their home at Richmond Ind. Mr. Rice had with him his Hoosier friend, Mr. Taylor, who was very enthusiastic over his first auto trip through the beautiful Blue grass region.

Miss Georgia Jones of Richmond, will be the guest of Miss Sara Wilmot for the Senior reception tomorrow night.

Mrs. Samuel Cotton and son, Mr. Wallace Cotton, motored to Lexington for the State C. E. Convention, and were accompanied by Mrs. J. A. Amon, Mrs. Jas. I. Hamilton and Mr. Will Rice Amon.

Mrs. S. D. Cochran entertained at an elaborate 6 o'clock dinner Tuesday at her attractive home on Danville avenue, the honorees of the occasion being the bridal couple, Mr. and Mrs. Harry Tomlinson, and Miss Bette Robinson of the Lancaster High school faculty.

DAIRY and CREAMERY

CARING FOR COWS TO GET BEST RESULTS

(Prepared by United States department of agriculture.)

To have healthy cows is one of the first essentials in the production of clean milk. If the cows are diseased their milk is liable to contain disease producing bacteria or be otherwise abnormal. Such milk is neither clean nor safe as an article of food even though there is no visible dirt in it. The cows should be tested at least once a year for tuberculosis by a capable veterinarian, and if diseased animals are found the herd should be tested.

A DIRTY COW A MENACE TO CLEAN MILK.
Tested twice a year. All cows which react, showing that they are infected with the disease, should be removed from the herd and the stable and premises thoroughly disinfected. No cattle should be added to the herd without subjecting them to the tuberculin test before they are brought to the farm. They should then be kept separate from the other animals for at least sixty days and retested. Without the use of tuberculin the owner is liable to be confronted with serious and continuous losses. With its use the disease can be eradicated from the herd and the danger of its spread to man from this source removed.

Groom the Dairy Cow.
Special attention should be given to the condition of the udder, and any milk which appears slimy,ropy, watery or otherwise abnormal should not be used as food. As a rule, milk should not be used within fifteen days before calving or during the first five days after calving. It is well not to use milk from cows which have been given powerful drugs, for it is known that medicines of this kind often pass through the tissues of the mammary gland and into the milk. The external condition of the cow is a most important factor in the production of clean milk. One of the greatest sources of milk contamination is the dirt on the animal's body. It is therefore essential that extra care be taken to keep the cow free from accumulations of mud and manure. Grooming is usually dispensed with, as it costs money, yet there is far more reason for the daily grooming of an animal that produces human food than of a horse which hauls a manure spreader or a garbage wagon. Custom, however, demands that the horse be kept clean, and this custom must be extended to include cows on farms where milk is produced. Cows on pasture usually keep cleaner than when in the barn; but, though they appear clean, they may be very dirty and should be brushed before each milking. When kept in stables they require a thorough cleaning at least once a day. It is well to clip the long hairs from the udder, flanks and tail in order that dirt may not cling to them. It is also desirable that the bedding be clean, dry and used in sufficient quantities to promote the comfort of the animal, especially where the floor is of concrete.

Milk Before Feeding.
The cow should not be groomed, bedded or fed immediately before milking, as these operations fill the stable air with dust and bacteria. Frequent attention to the distribution of bedding is just as important as to supply a large amount of it. Often a tour through the stables the last thing at night and a few minutes' attention to the distribution of the bedding at that time will save half an hour's work of cleaning the cows in the morning. If the manure is removed daily a considerable distance from the stable bad odors from it cannot taint the milk and the danger of contamination from filth laden flies is lessened. The fly nuisance is caused by accumulations of manure, in which the flies breed, and if conditions are favorable the manure should be removed to the fields every day. Flies carry bacteria and filth, and earnest efforts should be made to keep them from the stable. If the stable and its surroundings are clean and free from accumulations of manure and other materials which attract flies it can be kept fairly free of them by the use of fly poison and traps. In addition to removing the accumulated manure from the gutter every day, the soiled bedding should be raked back into the gutter and replaced with clean bedding. No animals other than cows

should be allowed in the stable. The open shed system of keeping cows is advocated by many dairymen and has some advantages, but it is essential that the shed be kept dry and be open on the south side.

Silage For Dairy Cows.

The feed for cows should be palatable and nutritious. Moldy and decayed feed and such feeds as may injuriously affect the cows' health or the character of the milk should be carefully avoided. The odor and flavor of milk are very readily affected by rape, cabbage, turnips and other feeds having strong odors, and when used they should be given after milking, in which case there is little danger of contaminating the milk. If pastures are over run with garlic or wild onion the cows should be removed from the pasture several hours before milking.

When silage came into use as a feed for dairy cows there were many objections to it on the ground that it unfavorably affected the flavor of the milk, but these complaints are now less common, as the bad flavors have been found to be caused by poor quality of silage, improper feeding or because silage odors were absorbed from the stable air. Good silage, fed in reasonable quantities after milking, will not injure the health of the cows nor impair the quality of the milk. It must be fed after milking and all uneaten silage removed so that the silage odors will disappear from the air before the next milking. Many health authorities forbid the feeding of wet brewers' or distillers' grains to cows because such grains ferment rapidly and produce strong odors, which are absorbed by the milk, and under ordinary conditions the stable and cows become so filthy that the production of clean milk is impossible.

Salt and Water For Cows.

Owing to the dust and odors which arise from the feeding of hay, grain and silage, it is best from a sanitary point of view to feed after milking rather than before. A liberal supply of salt should be provided in a place where the cows can have ready access to it. It is of prime importance that the cows have an abundance of fresh, pure water. Cows which produce twenty-five pounds of milk a day require seventy-five pounds or more of water daily, and instances are on record in which heavy milkers have consumed more than 200 pounds of water in that

GROOMING COWS TO REMOVE DIRT AND FOREIGN MATTER.

time. This large quantity of water is necessary not only for the formation of milk, but also for the digestion and assimilation of the large quantities of food consumed, much of which is roughage. It is not wise to permit cows to drink large quantities of ice cold water, and in order to encourage them to drink water enough in extremely cold weather it is necessary to warm it slightly. The water trough should be kept clean and so situated that the cows when drinking will not be exposed unnecessarily to inclement weather.

Treating Calves For Scours.

Calves that scour are treated in the following manner: As soon as symptoms appear from two to four table-spoonfuls of castor oil are mixed with one-half pint of milk and given to the calf. This is followed in from four to six hours by a teaspoonful of a mixture of one part salol and two parts subnitrate of bismuth. This, too, can be given in one-half pint of milk, or the powder may be placed on the calf's tongue and washed down with a small amount of milk. The allowance of feed should be reduced at once and not increased until the condition of the calf warrants. In mild cases castor oil is unnecessary and therefore can be omitted.—Wisconsin Agricultural College.

DAIRY WISDOM.

- * Regularity in milking is essential to best results.
- * Dirty pails are a common cause of sickness in hand raised calves.
- * Incomplete milking tends to check the flow and shorten the milk period.
- * Carelessness in the selection of sires will quickly ruin a herd of good cows.
- * The man who will let a cow drop her calf while confined in a stallion or tied in the row of cows is unfit to own cows.

That new, black "Barefoot" Rubber!

ONE of its most valuable characteristics, for Tire (and Shoe) purposes, is its CLING quality—its tenacious grip on smooth and slippery surfaces.

Through that it gives its maximum Traction with a minimum of Friction.

When you put on the Brakes to stop the Car, or throw in the Clutch to start the Car, the Tires made of this black "BAREFOOT" Rubber instead of grinding against the ground for Traction, CLING to it, as your bare foot would cling to a slippery floor.

That's why we've finally christened it, and trademarked it, as "Barefoot" Rubber.

Get a sliver of it, from any Goodrich Branch or nearest Dealer.

You'll find it stretch almost as much, and return to shape almost as instantly, as a pure Rubber band.

Weigh a Goodrich "Barefoot" Tire of any size against the corresponding size of other makes of Tire, and you'll find it many pounds lighter, though many "Miles" stronger.

Drive it, and you'll find in Goodrich "Barefoot" Tires a liveliness, a quick response to power, a tenacity of traction,—and all this with a Mileage capacity which will surprise and delight you.

WE developed this "Barefoot Rubber" primarily for use in our now famous "Silver-town Cord" Tire which, last year, showed such marvellous ENDURANCE on the Race Track, at over 100 Miles per hour.

But we now make it into Goodrich FABRIC Tires, —Goodrich Inner Tubes,—Goodrich Motor-Cycle Tires,—Goodrich Truck Tires,—Goodrich Bicycle Tires,—Goodrich Rubber Boots, Overshoes, Soles and Heels, as well as into Silvertown Cord Tires.

Because,—in all of these its characteristics of "Cling,—Spring,—Stretch,—Strength,—and Lightness" are first requisites.

Now, compare GOODRICH Fair-List prices with prices you are quoted for same size Tires of other Brands, that have not the wonderful Resilience and Cling-quality of this new black "Barefoot" Rubber, which can be had in no other Tires than those made by—

Suitable songs will be selected for the occasion.

WHY YOU WILL HAVE TO PAY MORE FOR PRINTING

From present indications there is going to be a paper famine in this country. For the past four months there has been a steady advance in the price of paper and as we write these lines it is still soaring. A commodity even so indirectly related to the demands of war as paper is showing the prevailing tendencies to such a degree as seriously to embarrass publishers. The higher price of paper stock and the difficulty of obtaining it at all in England was a chief factor in the discontinuance in March of the London Daily Standard.

after a career of sixty years, for a considerable portion of which it was the most important organ of the middle classes in England. In America the demand for paper has been increasing for six months as a result of general business activity. At the same time, supplies used in its manufacture have been decreased by war conditions, and in some cases have almost been shut off.

The supply of old rags is affected by the cutting off of the importations from the European peasantry and by the demand for the making of gun-cotton. The chemicals used in bleaching the paper produced by sulphuric acid and alum are being devoured by the manufacturers of explosives, while importations of jute have fallen off until the price is doubled. An embargo has been placed on shipment of wood pulp from Norway and Sweden, while Canada stopped access to her vast resources some time ago. The newspaper publisher is, indeed, hard hit by war conditions in many other items of supplies besides the basic one of paper stock. Practically everything going into the manufacture of a newspaper has increased in price from 10 to 50 per cent—inks, owing to the advance in the cost of acids and dyes, from 200 to 3,000 per cent; type, owing to the higher cost of lead, tin and antimony—even the rubber and felt blankets wrapped around the press rollers add their quota to the increased "cost of living" of the newspaper.

Anxious to Be Doing.

Young Girl—"Yes, I feel an intense longing to do something for others."

Friend—"Just whom do you mean by others?"

"Well, I suppose almost anybody outside of my immediate family."

—Life.

What it Means.

"The 'obey' clause in the marriage ceremony merely means that when the husband takes a twenty-dollar bill out of his pocket and commands his wife to take it, she must immediately comply—and she does."

—Life.

REX GARRARD

This splendid walking stallion will make the season of 1916 at my place at Nina, Kentucky, at

\$10.00 TO INSURE.

Rex Garrard is a rich red sorrel 8 years old, by Old Rex Peavine dam by Tom Covington. He is 16 hands high, good conformation and his colts are all natural walkers. Walking horses are always in demand and are bringing good prices.

JOE WHEELER.

NINA, KENTUCKY.

ROWLAND PEAVINE

No. 6053.

Rowland Peavine—chestnut stallion; star and snip, foaled May 13th, 1912. Sired by Rex Peavine 1796, by Rex McDonald 833, by Rex Denmark 840.

1st dam, Bourboniste 9297 (full sister to Bourbon's Best) by Bourbon Chief 976, by Harrison Chief 1906, by Clark Chief 89.

2nd dam, Judy Oliver 6407, by Red Cloud 2197, Indian Chief 1718.

3rd dam, by Wilson's King 2197.

4th dam, daughter of Sims' Clark Chief 2575.

Rowland Peavine is a beautiful chestnut with star and snip. Stands 15.3, weighs 1,050; four year old. As you will see from the breeding, he has the blood of the best show horses of Kentucky and is one himself. You should see this horse before booking your mare.

Breeders of saddle horses rarely ever have the opportunity to breed to a horse as fashionably bred at the small fee of

\$15.00 To Insure a Living Colt.

He will make the season of 1916 at the stable just back of A. T. Nunnely's house on Lancaster street.

Money due at birth of colt or when mare is parted with or bred to other stock.

Grass at 10 cents per day.

J. C. Bailey,

STANFORD, --- KENTUCKY.

Buck Varnon.

Black Jack, with white points, 153 hands high, fine breeder and great individual. A Jack of fine bone and action. Will stand at \$10. to insure a living colt.

All will stand at W. P. Dishon's farm on the Crab Orchard pike 5 miles from Lancaster, Kentucky. Mares grazed at \$2. per month. Care taken to prevent accidents, but not responsible should any occur.

W. P. Dishon.
